STEWARDSHIP

a way of life

Do you remember this from September's newsletter articles?

Stewardship is **NOT** about money.

Let the statement soak in, Let it forever block out what you associate with the word stewardship.

Now, can you handle another truth this month?

Title of ownership has not changed hands.

That's a lot to unpack. Look elsewhere in this newsletter for further information on these two ideas.

Message from your President:

October is our congregational meeting. The meeting will be on Thursday, October 29, 2020 at 7:00PM. We changed it to a Thursday since we have our services, and Bible discussions on Wednesday. The meeting will be covering the annual report and voting on the purposed budget for 2021 In accordance with our constitution, any approved changes to an amendment have to be ratified at the next annual meeting by a two-thirds vote. So if you approved the change in the amendments at the special congregational meetings in September, we will be ratifying the amendments at this meeting. Please make every effort to come to the meeting. We have a lot of important things to discuss. The annual report and the budget will be sent out to everyone two weeks in advance. Please bring these to the meeting with you. There will be time to answer any questions you may have on the annual report. This year the annual report will also include some future plans of the ministries, not just what we accomplished in the last year.

I know with COVID-19 it is harder for people to come out. We will be taking all safety precautions for you. We are to be stewards of all God's things. A steward is someone who takes care of someone else's things. We are to take care of God's things. God created everything. All is His not ours. God provides things for us but he still owns everything. When someone gives you a gift it then becomes yours, you own it. What we have still belongs to God, so we need to take care of it. So we need to care for our church, the people in it and all the people in our community. In order to do this we need everyone to help and coming to our congregational meetings is a step in helping us to know what you want us, your council members, to do. See you all there.

Dear Lord, open our eyes to the needs of others. Show us how to live more like Your Son, who always put other's first. Help us to see how we can help stop the turmoil in this country and in our own community. We pray in Jesus name. AMEN.

God's Peace and Blessings be with you all,
Darlene Milavickas

CARING MINISTRY

During the month of August, the Food Pantry served 83 households as follows: seniors (age 60+) 75, adults (age 18 - 59) 61, and children (birth - 17) 24. The total number of people served during August was 160. During August we served 6 less households consisting of 13 more people than July. We had 35 less total clients than August 2019.

As we continue after Labor Day and the start of school, I suspect the number of COVID-19 cases will spike; therefore, stay safe.

FOOD PANTRY needs cereal, spaghetti sauce, crunchy peanut butter, jelly (any flavor except grape), canned fruit (especially canned pineapple), canned vegetables, hot cereal such as individually packaged flavored instant oatmeal, hearty/chunky soup, and creamed soups of all kinds.

CLOTHING CLOSET is in need of household items such as; bath towels, hand towels, tea towels, dishes, pots, pans, etc. We need all

sizes of clothing for infant, toddler, pre-teen, teen and adult.

PRAYER CHAIN: Remember to contact Kay Davis, Prayer@zion-nc.com, if you have any prayer requests.

"Let them give thanks to the Lord for his wonderful deeds for mankind, for he satisfies the thirsty and fills the hungry with good things."
Psalm 107:8-9

THANK YOU FOR YOUR SUPPORT.

LEARNING MINISTRY

Adult Sunday School has begun. We had good attendance for the first week! Pastor William has begun an interesting study of our Lutheran liturgy. This is a great way of understanding why we do what we do in our worship service and how our

liturgy relates to the Bible. Please be sure to join us on Sunday morning at 10:15 a.m. in the Adult Sunday School room.

The youth began their Bible School and our children are enjoying nice evenings outside with stories, games, crafts, and snacks while understanding our lessons that go with the Gospels for the week. The youth gather at 6:00 p.m. on Wednesdays.

Susan Whalen's Women's Bible study began with a study of the Gospel of Mark. Susan had a good turnout for her studies. If you are

interested in attending her class, please contact her at Susanw61@neo.rr.com or call her or text at 330-705-4696. This is another great way to understand the Bible and hear God's word. Her class meets at 10:00 a.m. on Wednesdays.

All classes are practicing physical distancing and wearing masks. Your safety is our first priority.

All teens are welcome to join Pastor's "Just for Teens" Bible discussion on Wednesdays at 4:20 p.m. Pastor also holds

adult Bible discussions on Wednesdays at 5:00 p.m. or Thursdays at 9:00 a.m. All of these discussions are held via Zoom meetings. If you would like to join any of these, please let Pastor or Vicki know and they will add you to the invitation for the Zoom meeting.

We pray for everyone's safety. We are so thankful for all of these opportunities we have to study God's word. Our study of the Bible helps us to become better disciples of the Lord.

God's Peace Be with You,
Janet Sleese, Learning Ministry

RESOURCE MINISTRY

God be with you, today and always. It has been joyful and uplifting to see those that have returned to our in-person services on

Wednesday evening or Sunday. Equally, we also wish God's peace and love to those who do not feel comfortable with attendance utilizing our safe protocols. Please stay in touch and let us know what we can do for you.

Zion's August giving rate rebounded for a 21% increase compare to July and increased 85% compared to August 2019; a very positive result for which we are thankful for your generosity and stewardship. Our YTD giving rate continues on a positive trend with the August result 46% increase compared to 2019 results. The detrimental economic aspects of the pandemic continue to be a factor but overall, our trends are positive and will enable us to continue to operate in a fiscally responsible manner to help Zion address and adequately support our ministries. Your continued support will make this happen!

Considering rate of giving and our budgeted expenses, August results produced an operating income deficit of \$2,663.31. This result was a consequence of necessary roof repairs whose negative budget impact will be reversed in September accounting. This result increased our YTD budget deficit to \$24,385.55 prior to accounting for our 2019 budget surplus of \$7,646.18. This result is in alignment with our approved 2020 budget projections, but we anticipate that it will continue to be reduced as the positive giving trends continue for the remainder of 2020.

FYI: Our established electronic giving options continue to operate successfully, accounting for approximately 10% of total August giving volume. If you are not currently using this option but would like to try it, you may get started using the "On-Line Giving" link on the Zion-NC.com website or one of the following options:

For giving using a PC <https://abundant.co/zionlutheranchurch/give>

For mobile giving from a smartphone <https://abundant.co/zionlutheranchurch/mobilegiving>

Or you can use the QR code attached.

The pandemic has forced us to change our worship practices and to improve Zion's infrastructure and capability for virtual worship when "face-to-face" contact has been restricted. We will continue to refine and improve these capabilities as they will continue to be necessary to successfully support our worship ministry.

By trusting in God's blessings and exercising appropriate personal responsibility, we know that we can address the current health and social crisis's.

Please stay connected and supportive! God's peace and blessings for you all!

Respectfully,
John Rhodes

SOCIAL MINISTRY

You would think it is a very difficult time to be "social" - well it is, but it's not impossible. Serving others hasn't been postponed or rescheduled. It will just look different than before.

Today, we are serving each other and our community, just differently than we thought we would be. First and foremost - we have two weekly services going on and three Bible discussions. They are wonderful - maybe you don't realize how many other churches aren't having in person worship. We would be so thankful if you would join us.

We also have a robust Food Pantry and Closing Closet with dedicated volunteers that work selflessly in order to help someone else out during a tough time. Under Cathy Harvey and with support from Debbie Fox and Darlene Milavickas, the Food Pantry has taken service to the community to a new level. Maybe all the new rules aren't shutting things down, maybe they are waking us up.

We will continue to find different ways to help others. We are leaning into the good stuff. Thank you for your support and a special thank you to Pastor William and Linda Weidenbach for joining us about a year ago. I can't imagine going through this last 6 months, specifically, without your love and support of our congregation.

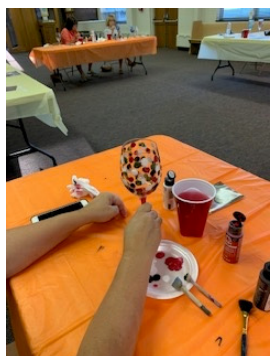

Please pray for those suffering with health and financial issues. Let Zion be a place that makes a difference to those in need in our community. Help us understand how we can help them. Thank you for the blessing of calling Pastor William and Linda to Zion.

WITNESS MINISTRY

We had a great time painting Wine Glasses. Eight women got together and made lots of memories. There are so many great artists among us. Looking forward to doing this again. Maybe next time we can display our handiwork.

Here are a few pictures.

Arts & Crafts

If you have any ideas of something you would like to teach or maybe have always wanted to learn, let me know. I would like to start some small groups. I am working on some fun ideas for the holidays. Stay tuned for further details.

Heavenly Father. Show us ways to reach out to our community and provide for their needs. In these troubling times, we all need to be reminded not to give up hope. You are constantly with us and you never give up on us. Amen

WORSHIP MINISTRY

Let's all be thankful for the many blessings we have during these COVID and unsettled times. Our church is one of the few that actually has reopened church services and are fortunate to have great attendance. Many churches do not offer live services or have just a handful of people joining them. We have an average of 43 on Sundays and our Wednesday evening services have an average of 37 not to mention the great responses we get from our online viewers.

We are thankful for the many people that help make our worship services great including the chancel guild, decans, assisting ministers, our tech team for recording services and our pastor.

We are thankful for the organ music each Sunday brought to us by Jack who tirelessly pursues new music for us to enjoy. Regarding other music like singing hymns and live vocalists, it has been determined that it is still too early to incorporate this into our services. We are working on recording some performances and sharing these as soon as we work out the licensing issues. Singing hymns is missed by many of our members and I too miss singing as well. Hopefully we will be able to all join in and praise God with song before too long.

We are thankful for those who took our survey we gave out to our Wednesday evening congregation and the results are in! People overwhelmingly enjoy the Wednesday evening services and wish to continue them. It was also determined that we will need to move the service inside the gym as weather dictates. This gives us plenty of room to practice physical distancing and still socialize.

We are thankful for Barry Wyerman, an acoustic engineer, who I have had the pleasure of working with to analyze the reverberation issues that are apparent in our gym. Barry generously gave of his time and expertise to help us solve this problem.

We are thankful that council has approved appropriations to correct the acoustics in the gym. We are looking for a team of volunteers to help us install these panels and if you are willing to help, please contact me, Brian Walters, and I will give you the details.

Lord, let us be thankful for all that you give us. Help us recognize the blessing that you provide every day to each of us. It is easy to feel down when life is not what we expect it to be, but help us

see the opportunities that challenges like living through this pandemic can bring. In Jesus name we pray. Amen.

COMFORT GIVERS

The Fall In Gathering of Lutheran World Relief Comforts and Kits has been postponed temporarily. The survey originally sent out did not return good results or additional information specific to our location. I called LWR headquarters, they are willing to advice or direct any ideas that groups have for churches sharing moving vans or u-hauls. It is a delicate situation to follow all the guidelines. Coordinating with the warehouse hours, volunteers safety, and insurance.

In checking with local churches in our area, some have discontinued sewing comforts for LWR, but work on other local needs. One church has pledged 5,000 face masks to two senior communities.

Our comforts may stay snugly folded until spring. We continue to meet each 2nd and 4th Thursday of the month. Let's pray for a miracle the COVID-19 virus will be controlled. God' healing hand will cover all.

Love to All,
Betty Tracy

Pastor's Ponderings
October, 2020

Fall is in the air.
the little chill,
the unique smell,
the swirling leaves,
God's breath in action.

We are human beings, filled with God's breath of life.
Filled to live a life that brings about God's kingdom.
Filled to live in a way that shows others the love of God.
Filled to live in a way that speaks peace and reconciliation in our world.
Filled to live in a way that promotes care for the environment.
Filled to live in a way that strengthens those who are weakened.

Are you filled with the Spirit of God?
Do others see the indwelling Spirit in your actions and words?
Do others come to know Christ's love by your serving them?

Why does the Spirit dwell in us?
What will the Spirit empower us to accomplish?
Who will be lifted up by the Spirit working through us?
How will we foster all people being united in joy with the Spirit?

I'm looking forward to what we can do together. Are you?
Graciously, Pr. William

Stewardship Moment – It's not about money.

Is this MEME what you think of when you hear; Stewardship?

Well, we have good news for you! It's not about money.

In a recent gospel reading we heard Jesus tell the parable of the laborers in the vineyard (Matthew 20:1-16).

Let's walk through that parable for a moment:

- * Some think the landowner represents God; for the landowner is generous and treats all equally.
That seems reasonable.
- * The landowner asks; "Am I not allowed to do what I choose with what belongs to me?" (v15).
He means everything belongs to the him; the land, the grapes, the wages.
- * So, if the landowner represents God, then does that mean everything belongs to God?
Now you understand; well done!

So, stewardship is about recognizing, accepting, and admitting that God owns everything – God is, after all, the Creator.

Pre-K thru 6th Grade Sunday School News

Our Sunday School year is off and running! The kids have started out with some great outside lessons on Wednesday evenings. The lessons follow the Gospel reading for the week which helps to make a great connection with Pastor during the children's sermon. We hope your children will join us at 6 pm on Wednesday evenings in the pavilion and bring a friend!

Youth Halloween/Fall Activity: Thursday, October 29th from 6 – 8 pm

We will be having a Youth Halloween/Fall activity during October's Congregational Meeting on Thursday, October 29th from 6 to 8 pm. A pizza party for the kids starts at 6pm and will finish with some delicious fall treats for dessert. There will be crafts, pumpkin decorating and games (hopefully some outside if the weather provides). A sign-up sheet for the event is located in Luther Hall.

Please sign up by Sunday, October 25th so we have enough food and supplies. The children are welcome to wear a costume and invite a friend. **We will have physical distancing for all activities and facial covering must be worn.** This event is for all of our youth, Pre-K through High School. We look forward to an evening of great Fall fun.

Halloween Trunk or Treat: Saturday, October 31st from 3 - 5 pm

Our 2nd annual Trunk or Treat for the community will be Saturday, October 31st from 3 to 5 pm to correlate with North Canton's Trick or Treat. Last year we had 17 cars participate! Let's exceed that number this year! Each participating vehicle will park in our lot, open the trunks or hatches of their vehicles and pass out candy and treats. Vehicle decorating with a fun theme and costumes are also encouraged while passing out candy to all kids that come through the parking lot. We have the perfect space for this event and hope that all the neighborhood kids will walk through during Trick or Treat on the 31st. If you are interested in taking part in this event and are willing to decorate your "trunk", please let Debbie Fox know by October 13th. Let's make this community event a safe day of fun and fellowship! **To ensure everyone's safety and health, we will practice 6-foot physical distancing, masks/facial covers must be worn and all candy & treats must be handed to the trunk or treaters. There will also be hand sanitizing stations available.**

Fall "Oktoberfest" Craft Show News

This year's Craft Show is Saturday, October 24th from 10 am – 3 pm. There will be some changes to the show this year due to the pandemic. All current protocols will be followed including but not limited to 6-foot physical distancing, required masks/facial covering and hand sanitizing stations. We will also be controlling the flow of foot traffic. Unfortunately, we will not have German dinners or a Bake Sale this year for safety reasons, but there will be a limited concessions area.

We will still be making awesome raffle baskets once again this year. Everyone is asked to donate items to help fill the baskets. You may choose any of the baskets to donate items, and will receive a free raffle ticket for items donated. All items are needed by Sunday, October 11th.

Raffle Tickets for these baskets will be on sale before and after our services. Tickets will also be available in the office during the week. Raffle ticket cost will be 2 for \$1 or 15 for \$5. This year's baskets are as follows:

Sweet Treats Basket
Ohio State Fan Basket
Lottery Ticket Wreath

There will also be a Christmas Quilt made by Zion's quilters in the raffle. Winners for all of these items will be chosen Thursday, October 29th after the Congregational Meeting.

We need lots of help to make our show a success. There are sign-up sheets in Luther Hall for volunteers to set up, tear down and work on the day of the Craft Show. There are also sign-up sheets for food and drink donations that we will need. We encourage everyone to help out if possible. We really appreciate your support!

Again, the Craft Show will take place on Saturday, October 24th from 10:00 am to 3:00 pm. This is a great event at Zion! This year, all proceeds from the Craft Show will go to Habitat for Humanity. Last year we were able to donate \$3,281.48 to Habitat from the Craft Show. While we recognize our proceeds may be lower this year due to the pandemic and having to eliminate German dinners and the Bake Sale, we still pray that God will guide us and others to help us support Habitat and the great work they do.

Donate blood. Experience the wonder.

Evangelical Lutheran Church in America
 God's work. Our hands.

[at a glance] **NAMED ENDOWMENTS**

WHAT IS A NAMED ENDOWMENT?

A named endowment is a fund a donor establishes with the ELCA Foundation to provide perpetual support to ELCA ministries, congregations and organizations. Establishing an endowment fund in your name or the name of a loved one is a great way to establish a legacy and ensure support to ministries you specify for years to come.

Here's how it works:

A named endowment fund is established through the ELCA Foundation through your work with a regional gift planner. It can be funded with an immediate gift or a multiyear gift commitment, or through your estate plan. Many families choose to establish a named endowment through a current gift, planning to grow the endowment with additional gifts, memorials and estate gifts.

A named endowment can be named after yourself, a family member or someone influential in your life whom you want to honor through your perpetual support of ministry. Up to 10 charitable beneficiaries may be listed in a named endowment fund, including qualified 501(c)(3) organizations unrelated to the ELCA. This makes the fund a great tool for providing perpetual support to the ministry, congregation or local organizations you care about most. All named endowment funds are invested in the ELCA Endowment Fund Pooled Trust, ensuring that your funds will be managed according to the ELCA's socially responsible investing guidelines.

HOW A NAMED ENDOWMENT WORKS

Establish your endowment agreement,

free of charge, with a regional gift planner.

Determine funding

for the endowment through current gifts and/or estate plans.

Invite others

to grow your endowment!

Celebrate your perpetual gifts,

which will sustain important ministries for generations.

**GIVING THROUGH YOUR ESTATE WITH DONOR-DIRECTED DISTRIBUTION AGREEMENTS****WHY SHOULD I USE A NAMED ENDOWMENT?****WHAT ARE THE BENEFITS?**

- You can leave a legacy in your name or in memory of a loved one.
- The endowment will provide ongoing, annual support for the ministries you specify, into perpetuity.
- Your original gift will remain intact and be responsibly invested alongside other ELCA endowments.
- Lifetime gifts to an endowment are tax-deductible.
- Named endowments are a comprehensive tool that can support up to 10 organizations (including non-ELCA-related organizations) in perpetuity.
- Anyone can contribute to your legacy by supporting the ministries benefiting from your named endowment fund.

RULES TO KEEP IN MIND:

- At least 70% of the distribution value must benefit ELCA-related ministries, congregations and/or organizations.
- The \$25,000 minimum must be met within five years of establishing your endowment.
- Named endowments can be established during your lifetime, to be funded through your estate gifts.
- Named endowments can be funded with cash, securities, real estate, QCD distributions or marketable commodities such as grain, among other gift types.*

* Subject to the approval of the ELCA Foundation Gift Acceptance Committee.

A Huge Thank You to Barry Wyerman!

We express our gratitude to Barry for his expertise and generosity in helping us with our acoustic issues in our gym. Barry is an acoustic engineer and a friend of Jack Brannen our organist. With the information we provided to Barry, he put together a very comprehensive 15-page report and analysis of the reverberation issues in our gym. The cost would have been more than \$1,500, but Barry donated all of this to us. We in council had prayed for help with this acoustic problem and God answered us by leading us to Barry, but we did not expect that it would be so generously given. **THANK YOU!**

Thank to Maggiore's Drive Thru

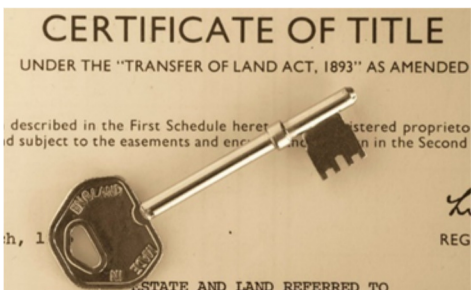

We extend our heartfelt thanks to Maggiore's in North Canton. They have been providing the wine for communion for many years and we are so thankful for their donation. If you get a chance, please be sure to thank them for their generosity.

Stewardship Moment – Title of Ownership.

You don't have what you have because you earned it or deserve it.

No, you have it because...wait for it... because God trusts you to care for it properly. God lets us tend to God's creation.

"God said...let (humankind) have dominion over the fish of the sea, and over the birds of the air, and over the wild animals of the earth, and over every creeping thing that creeps upon the earth (Genesis 1:26).

God trusts us to take good care of that which belongs God. We are God's entrusted caretakers. Does that biblical fact match the verbiage you use to reference things in your care?

- * Do you say "my house" or "the house God entrusts to my care"?
- * Do you say "my car" or "the car God entrusts to my care"?
- * Do you say "my children" or "the children God entrusts to my care"?

You see, God made everything (including you) and therefore everything belongs to God. So title still rests in God's name. But the good news is that God has so much faith in you that you are entrusted with the care of God's creation. Wow, God has great confidence in you.

NEO SYNOD REPORT

First I want to thank Darlene and Pastor for inviting me to represent our church. It was an honor and privilege.

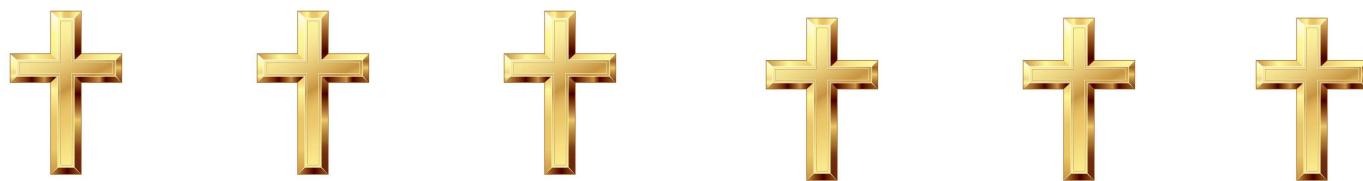

I was quite impressed with how things were organized having to do a zoom meeting instead of live. Even though there were a few glitches, everything ran pretty smoothly. (Although Pastor William may not agree since he was on the help desk)

All I can say is what an experience. It was so humbling to know that I was part of the NEO Synod history. It was exciting to vote and hold your breath to see if your candidate was on the next ballot. Then when it got down to the last two candidates (both women) it was nice to know that I was going to be a part of someone's story.

The Holy Spirit was at work the whole weekend. You could just feel his presence. I can only imagine how exciting it would have been if we were able to meet and talk to other church representatives. It helped me to understand what the Synod does and how important it is to support them.

If you have the opportunity in the future to participate, please do. You won't regret it.

Sue Whalen

REPORT TO ZION EVANGELICAL LUTHERAN CHURCH

RE: 2020 NEO Synod Assembly held September 11-12

Submitted by Cindy Bagocius, Delegate

The theme for the 2020 Synod Assembly was “Faithful Witness—John 4.” In the reading of John 4, we meet the Woman from Samaria drawing water from the well—not only for her own needs, but also for the need of a thirsty Jesus. She and He engage in an extended conversation which led to her running off to the village to tell whoever would listen, she had met the Christ. She is the faithful witness of John 4.

Attendees at the Synod Assembly, in its virtual form, were witnesses to much.

Way before home-based delegates settled in on their respective devices for the Calling to Order of the Assembly by Bishop Allende, much time, energy, know-how, and not-yet-know-how had to fall into place. Delegates were encouraged to “attend” online orientation sessions hosted by Synod personnel to become familiar with both ZOOM formatting and Turning Point Technologies voting procedures. The three of us from Zion—Susan Whalen, Pastor William, and I—met two times ourselves prior to the Assembly's dates, to foster and establish rapport. Pastor William was recruited to be a member of the HELP DESK team stationed at the Cuyahoga Falls Synod Office. Key organizers and speakers were on site at the John S. Knight Center in Akron.

As a postage stamp-sized delegate, I still felt a part of the whole. Each day's events followed its printed Agenda very closely—much to the relief of everyone who had a hand in putting together all the elements at stake in the online format. The very few glitches were handled with patience and “aplomb”—Bishop Allende's new word!
