

You're the Artist

Can you find a Bible in worship today? Is there one in the pew in front of you? What is on the front cover? If you could design the cover of a Bible, what would you draw? (Hint: you could draw a scene that best describes who God is and what the Bible's about.)

A Call with Jesus

Below is a phone conversation. On one side of the line is Jesus, and on the other is you! Fill in what you would say to Jesus if you could talk to him on the phone right now.

Jesus: Hi! How are you today? I'm so glad to see you in church!

Me: _____

Jesus: The story that you're learning about in church today is when God called 70 followers. What do you think it means to be called? Do you think that you might be called, too?

Me: _____

Jesus: Good! You are called as a Christian to bring my good news to all of God's children. You might be called in a way that allows you to use your gifts and talents. What are you good at?

Me: _____

Jesus: That's wonderful! You know, sometimes you might be called to do things or go places that might seem unfamiliar or uncomfortable. But do not worry, I will be with you the whole time. I love you very much. Have fun in church!
